

Sketching & Photography **EXPEDITIONS — 2012**

Yukon Wilderness EXPEDITIONS LTD. is a tiny little company in a great big wilderness. The bones of the world are close to the surface in the Yukon, and our light is filled with clarity. See what you can do with it. Come with us and set your creativity free in a northern environment! See our web site or call for more trips.

PERSONALIZED EXPEDITIONS

Art Expedition Intent: On these expeditions, *we offer you the luxury of time.* Time to see, time to compose, focus, and pursue your passion without the urgency to move on at other people's pace. Your host is a professional architect who dabbles in sketching, watercolours and photography, and will be pleased to facilitate your art expedition. Partner activities are offered on trips longer than one day.

No set itinerary exists for these trips. Please use our other trips as a guideline for possible places, times and prices. Call us, and we'll be happy to discuss what you want to do and work out a custom day trip and price for you.

Locations: The trip destination will depend on your interests. We have possibilities for landscapes, old mining and pioneer ruins, plants, wildlife and more.

Time & Cost: We can provide **half-day, full-day and longer trips.** Costs will vary with your requirements, but will be in the range shown for our **4x4** and **Hiking Expeditions** options.

Suitability: These trips are suitable for most ages and abilities. Out of respect for participants, we request that each group booking be similar in interests. As an example, sketching and photography mix well, but young children may not.

We Supply: Transportation, spotting scopes, walking sticks, rain ponchos and hats, and safety equipment including a satellite phone. We'll pick you up and return you to Whitehorse. Half-day trips include snacks and drinks; full-day trips include lunch, drinks and snacks.

You Supply: Equipment and materials in your chosen medium. Suitable clothing and shoes are advised. Remember that our climate may be colder and windier than you're used to. Bring your vision and perceptivity, and a sense of humour if we get rained out!

Small Print: We reserve the right to cancel or alter trips for your safety due to weather or other conditions. Participants must sign a waiver of liability form prior to trips or renting equipment. 5% Goods & Services Tax is added to our prices.

☛ **Trips are by arrangement. Please call to make reservations.** ☛
