

# Rental Prices — 2012

## POWER BOATS

We rent expedition-quality gear, and maintain it in peak condition. Standard prices are shown, but please call us for a quote on your specific needs, such as extended trips.

All prices are in **Canadian dollars**.

5% GST will be **ADDED** to Prices

**PRICES ARE PER DAY**

Item Number	Item	RENTAL PERIOD			
		1-3 days	4-9 days	10-16 days	17-24 days
<b>14' ALUMINUM BOAT:</b>					
PB140	9.9 hp 4-stroke outboard, trailer	125.00	115.00	105.00	95.00
<b>16' ALUMINUM BOAT:</b>					
PB160	50 hp 4-stroke outboard, trailer	180.00	160.00	150.00	140.00
<b>18' INFLATABLE CATARAFT:</b>					
PBC180	9.9 hp 4-stroke outboard	180.00	155.00	145.00	135.00
<b>21' CAROLINA SKIFF:</b>					
PB210	90 hp 4-stroke outboard, forward controls	275.00	245.00	225.00	215.00

- Standard rentals include the boat and motor, trailer where noted, fuel tank sized to the motor, required safety gear, 2 paddles, 4 PFDs with whistles, end lines, minor tools, shear pins and a spare propeller.
- All motors are 4-strokes to improve fuel efficiency, run quietly and minimize pollution.
- **PBC 180**, the 18' cataraft, is an inflatable twin-pontoon boat with breakdown aluminum frame. It is ideal for flying into remote fishing lakes or drift fishing. This is a big boat that rolls up into some duffel bags.
- **PB210** is rented for lake use only. A requirement of rental is transportation provided by YWEL to and from your choice of lake, at additional cost. Please see *Ground Transportation Prices* list for travel costs.
- A condition of rental is completion of the Rental Boat Safety Checklist to familiarize you with the boat's operation. See our standard Rental Terms & Conditions and Rental Agreement for other details of rental.

### **ACCESSORIES:**

We have an array of additional equipment to round out your trip needs, including toilets, dry barrels and bags, coolers, kitchen kits, tables, fire pans and more. Call us for availability and prices, or see our *Accessories List*.
